SpG (Red/Golden/Liver) (3,1) 1. Miles Whirlaw Lady Luella, golden with much to like about her, pleasing head, well placed shoulders, good legs, deep chest, moved with drive. 2. Ellison's Withiflor Euphoria, not the head nor body of 1 above, however both were happy movers.

SpO 1. Forfar's Glasedin Golden Delicious JW mature golden with a good head, dark eye, has depth of chest and well turned stifles, moved well.

SpP Black/Black and Tan/Sable 1. Siviter's Trentsholme Sno Business, 8 months old black, little did I know at this stage that this little charmer would be BPIS, she is so well constructed, most lovely head, eye and expression, reachy neck, fine shoulders, super topline, everything about her is quality, she never put a foot wrong and even at the end of the day gave 100%, well done, well handled and presented. I shall keep my eye on her progress.

SpG (3,1) 1. Marsh's Quintavia Sugar Plum at Sayajirao, quality, good headed black, well put together with good legs and feet, good ribs and depth of chest, retained topline on the moved, correct tailset, well presented and handled. 2. Wainwright's Geminimi Auntie Tammy From Shadowside, finer build than above, topline finishes steep over the croup, needs to tighten in front movement.

V AC (3,2) 1 Marris-Brays Sh. Ch. Helenwood Irresistabelle, what can I say about this beautiful black, I judged her as a youngster and loved her then, she is a female Peter Pan, and her owner must be congratulated on her super condition, she continues to move so positively and merrily. L (13,3) A lovely class headed by my eventual RBCC/RBIS winner - Beswick's Charbonnel Hide'N'Chic with Cachel, and she had to pull out all the stops to win this class as the first two are of such lovely quality, both are blues and so similar, both have beautiful heads, eye and expression, reachy neck and fine shoulders, lovely coats, good legs and tight feet, well turned stifles, standing presented a balanced picture, splitting hairs, preferred the finish over the croup of 1, loved watching them both move. 2.
