**Class A Special Award – Puppy Dog or Bitch**

1<sup>st</sup> Mrs C West's 9 month Black Puppy Bitch, Sheigra Simply A Star

A young lady with all before her in the Show world. A lovely feminine head with dark appealing eyes. A strong short compact body for one so young. All the correct angulations from the front shoulder line to rear thigh and short hock. Excellent on the move around the ring holding a super top line. A worthy winner of a great class of young puppies with 2<sup>nd</sup> and 3<sup>rd</sup> also worth a mention.

2<sup>nd</sup> Mrs J Marris-Bray's 9 month Black Bitch Helenwood Illusion. Another future winner too looking forward to seeing her progress in the Cocker World. A finer head line at present than the winner but still showing those dark appealing kind eyes. Her body was a little rangy compared to the winner but still had a perfect neck line sloping into well set shoulders. Lovely strong well padded tight feet and excellent carriage about the ring. One, two and three will surely be exchanging places as the season progresses.

**Class B Special Award – Postgraduate Dog or Bitch**

1<sup>st</sup> Mrs C West's 13 month Black Bitch, Sheigra Super Special. Another from the always supporting kennel of Carol West. Once again, a lovely honest head with those super dark appealing eyes. A perfect neck line into well laid back shoulders. Impeccable coat and grooming. A worthy winner.

**Class C Special Award – Open Dog or Bitch**

1<sup>st</sup> Mrs Carol West's 6 year old Golden Dog, Sheigra Stargazer. Standing alone but worthy of his first place. A strong head with again a lovely honest eye so essential with our Cocker Breed. Shown in a beautiful condition and gleaming well groomed coat. Held an excellent top line around the ring. Well done.
